ITALY TASTE GOOD

The love for authentic Italian food...

Their fondness for their region, Italian culture, and appreciation for traditions inspired Monica and Marco to create 'Snack Bag'.

A HARMONIOUS BLEND OF TRADITION AND MODERNITY, ART AND FLAVOUR.

Traditional local products come together to craft unexpected and unique combinations of flavours, scents, colours and shapes, for the most demanding of palates.

Snack Bag is a collection of stories, TALES OF PEOPLE AND REGIONS passed down through generations, now absorbed into modern life.
